In the First Printing of the book, ‘Overturning the False Verdicts of Freemasonry,’ the following chapters were not included. They are now included in the book so we have made these available for those who purchased books from the First Printing. We have changed the cover design to distinguish clearly from the First Printing.

May you be blessed as you work through these prayers.

Chapter 35

Divorcing the Sun God

Another aspect of freedom from Freemasonry involves the divorce from the Sun and Moon God (Baal and Allah). Many do not realize that Allah is the moon god and we have insidiously been connected to this false god through the Shriners. These petitions are the result of work done by Jeanette Strauss and Doug Carr and are reprinted here with their permission.

Petition of Divorce from the Sun God

The strategy to win this case is based upon repentance, forgiveness, and restoration to God. I will request a divorce from Baal and marriage to The Lord.

Opening Prayer

Dear Heavenly Father; Thank You for the summons You sent to me through the Holy Spirit requesting that I, as an individual, appear before You in the courtroom of Heaven on behalf of this family.

I am honored to come together in agreement representing myself.

Thank You for this opportunity to bring my case into the courtroom of Heaven.
I ask that my record book be opened and the Judge look back to the beginning of my creation.

I ask that all previous righteous, intercessory prayers that have been presented to You on my behalf throughout the past generations be included with my petitions. Amen.

This Scripture found in Isaiah 58:12 describes my intention:

Those from among You shall build the old waste places; You shall raise up the foundations of many generations; and You shall be called the Repairer of the breach, The Restorer of streets to dwell in.

Through the power of the Holy Spirit combined with my prayers, I can play a part as restorer of the breach in my life. I am called to be an Ambassador of Reconciliation endued with the Power of Attorney through the authority of Jesus Christ that he has delegated to me as a believer.

I understand that the power and authority to change my community and transform my territory comes completely through the Righteous Judge of Heaven and Earth who presides over the Courts of Heaven. I know that when I legally settle my case in Heaven’s court, I can expect a corresponding action on the earth.

The Holy Spirit has brought to my attention that the trials and tribulations I read about and experience on a daily basis in this family have grown out of a rotten root of disobedience and rebellion to the ways of God, which has been growing for years and has obtained a spiritual legal right to grow into a large tree that has been bearing bad fruit in this family. I understand and admit that this is due to sin committed against You. This is why I look forward to my opportunity to come into Your courtroom in Heaven on behalf of this family and lay the ax to the root.

One of my focuses is to divorce the foreign god called Baal in all of his forms. I am using information from Chuck Pierce and Dutch Sheets Ministries that pertain to this case and can also be found on the Heartland Apostolic Prayer Network website (www.hapn.org).

My first question is: “Who is my enemy called Baal, and how is he affecting me today?”

Chuck and Dutch say:

Baal is identified as the ruler of the demons. Matthew 12:24 (Beel-ze-bub is another name for Baal) Baal-hamon, one of his names, means "the lord of wealth or abundance." This is the
principality warring against the great transfer of wealth to the church. You must war against this spirit to see Your inheritance released.

Baal-berith, another of his names, means "the lord of the covenant." The Hebrew word Baal actually means "husband" or "marriage." This spirit always attempted to cause Israel to "divorce" or break covenant with God and "marry" or align with him. Consistent with this, in so many ways America has broken covenant with God and married Baal. This is, I believe, the strongman behind most covenant-breaking.

Baal is the strongman behind sexual perversion. Homosexuality was and is one of his big strongholds. I believe all of the sexual sin and perversion in America is, to one degree or another, under Baal's orchestration. You will continue to see God expose leaders in the church who have aligned themselves with this spirit. Pray for the church to be cleansed and for Baal's hold on America in this area to be broken.

Baal always goes after the next generation, trying to cut off the extension of God's covenantal purposes. He is a violent spirit and even required human sacrifice. Abortion is under Baal, as is the "cutting" of today's young generation. (See 1 Kings 18:28.)

I agree this includes the Vampire and Goth movement, and the death culture that has so invaded America. Baal is leading the fight to avert the great awakening planned for the young generation of Americans today. I must pray against and see these efforts bound. Witchcraft and occult spirits, in general, operate under Baal as does Jezebel.

My strategy to gain the victory over this principality is through courtroom of Heaven intercession. I will obtain the legal right through repentance and forgiveness for sin committed against God to remove the lawful rights Baal has used to withhold the transfer of wealth and release my inheritance. Chuck Pierce tells me to claim Jeremiah 51:44 which I will include in my decrees.
I have subtitled each of the prayer point issues listed above with the numbers 1-4. I will list the problem, then my repentance and forgiveness prayer; in conclusion, I will present my plea for resolution and court-ordered restitution.

I understand the importance of praying in unity as I present my plea. One of the best ways to do this is to corporately pray the prayer Jesus told me to pray. This prayer is found in Matthew 6:9-13 and will serve to spiritually cleanse me of any unrighteousness so I can stand before the Judge to present my petitions.

Let’s join together and pray the model prayer (using sin and sins in lieu of trespass and trespasses).

My Father in Heaven, may Your name be kept holy. 10 May Your Kingdom come soon. May Your will be done on earth, as it is in heaven. 11 Give me today the food I need, 12 and forgive me of my sins, as I have forgiven those who sin against me. 13 And don’t let me yield to temptation, but rescue me from the evil one. (NLT)

Let me go into the courtroom now and present the case.

Thank You for the honor of allowing me to come into Your courtroom. I know the form of intercession You always endorse and grant favor upon is when Your people recognize their wicked ways, humble themselves, and repent. You then extend forgiveness, grace, and mercy and will release healing.

I want to present this Scripture as evidence of Your faithfulness:

2 Chronicles 7:14; If My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land.

I thank You that in the Bible You welcome and encourage me to come into Your courtroom and state my case. As I repent and ask forgiveness I can get the records cleared and You are willing to defend me and help me win my spiritual battles, which will give me the victory in the physical realm. You say in Isaiah 43:25-26:

I, even I, am He who blots out Your transgressions for My own sake; and I will not remember Your sins. 26 Put Me in remembrance; let us contend together; state Your case, that You may be acquitted.

I thank You that You have subpoenaed the accuser of the brethren so that he will be a witness today of these divorce proceedings.
In this case today I use as an example and reference point of proper intercession that found on behalf of Your people in Daniel 9:10.

Daniel found himself as a slave who was a believer, living in a Babylonian society with no rights to worship his God freely the way that he wanted to. He didn’t complain to God about the injustice but humbled himself and repented and asked forgiveness for his sins and the sins of the nation of Israel. God listened and acted on his behalf.

At this time, I come before You as Daniel did, in humble repentance. I do not come before Your bench to complain about injustices against me for what my forefathers were guilty of. I am not here to take the role of the accuser of what they did wrong, but I am here to repent for a turning away from Godly ordinances and statutes, and living in disobedience and rebellion to my God. I ask that it be placed in the record that I forgive them for their actions, which have caused consequences and repercussions that I am struggling with today.

I ask that the intercession for my family and all of its issues that are connected to these different forms of Baal all be put into one case, a class action suit. I know the accuser or prosecuting attorney (ha-satan) has been convicting me of sin and getting judgments against me personally and the people connected to this family, which has placed this family and its members in bondage.

I don’t know exactly when this marriage of the perversion of truth began in history, but I am asking that the record go back to the earliest foundation or the original place where the turning away and embracing the doctrine of demons began, and include every violation up to now in this case.

Prayer Point 1

[Matthew 12:24 reveals that Beelzebub is another name for Baal. Baal-hamon, one of Baal's names, means "the lord of wealth or abundance." Dutch Sheets and Chuck Pierce agree that this is the principality warring against the great transfer of wealth to the church. I must effectively overcome this spirit to see my inheritance released.]

Charge 1

The Accuser’s Argument Against Me

He has sinned by investing in the kingdom of darkness in many ways that I the deceiver and accuser have cleverly devised to obtain guilty verdicts against him/her. Therefore, I have been able to get a judgment to get their inheritance withheld from them.
My strength that I use against You and them is because they break Your laws.

1 Corinthians 15:56 says; ‘The sting of death is sin; and the strength of sin is the law.’

My Response to the Charge

Your Honor, I admit my guilt, and I stand on my behalf, repenting for the sin of investing any money through the products I buy and the businesses that I allow to come into this region such as casinos that help to promote the activities of this principality named Baal and give him the right to steal my finances.

I ask that You forgive me my sin and cover me with the Blood of Jesus. I ask for the Freedom of Information Act to be applied to this case. That truth will be revealed at a personal level to those who are being deceived. I ask for all corruption to be exposed and dealt with to bring about Godly change in my life.

As the Freedom of Information is loosed over my inheritance which consists of people and those You have called to come out of the darkness, the scales that have been over the eyes of my understanding and their understanding will fall away, and the veils of deception will be cast off. I will see Your truth, embrace Your truth, and walk in Your truth.

Please move this case that the enemy has been lawfully binding me to, and thereby enforcing judgments against me from the Courtroom of Heaven to the throne of Your Grace and Mercy, loosing me and others whom he has been holding captive through sin, removing the legal rights of Baal and any other foreign god involved in this hindrance.

I petition You to release my inheritance and the great transfer of wealth You have in reserve for Your church. My accuser will no longer have a case. He has to release the captives.

Jeremiah 51:44 states:

I will punish and judge Bel (or Baal) [the handmade god] in Babylon and take out of his mouth what he has swallowed up [the stolen sacred articles and the captives of Judah and elsewhere]. The nations will no longer flow to him. Yes, the wall of Babylon has fallen down! (AMP)

Prayer Point 2
[Baal-berith, another of his names, means "the lord of the covenant." The Hebrew word Baal actually means "husband" or "marriage." This spirit always attempted to cause Israel to "divorce" or break covenant with God and "marry" or align with him. Consistent with this, in so many ways, America has broken covenant with God and married Baal. This is the strongman behind most covenant-breaking.]

**Charge 2**

The Accuser’s Argument Against Me

Many of those who call themselves by the name of the Lord God Most High have repeatedly committed spiritual adultery against You by not taking Your ordinances and laws seriously. Many are guilty of committing adultery amongst themselves or participating in pornography, so I am able to prosecute them for their sin of breaking covenant with You and with each other. I capture them through their sin and entice them through many devious means to break covenant in their earthly marriages.

**My Response to the Charge**

I admit to this sin that has influenced me as an individual and even as a nation. My adversary has been successful in his quest to divide and effectively move me out from under Your covenant protection due to sin which opens the door for him in my life. He is at work destroying my covenant relationships with others and between me and You. Government statistics of the divorce rate prove he has been successful.

**Personal Confession**

I repent and ask forgiveness for this great sin I have committed against You and against others. I ask that You will cover this sin I have committed with the blood of Jesus.

I petition for a judgment declaring the granting of an immediate termination of this marriage to Baal. I request a divorce, a cutting off from him in every area.

I ask You to grant a season of time during which You will release a spirit of revelation of truth and conviction upon me, during which time my understanding will be opened and my heart made ready for the Gospel in full measure. I also request a spirit of repentance that will bring a harvest of salvations and born-again experiences to my region.
I pray for a revival of Your Holy Spirit and the gifts of the Holy Spirit to manifest which will assist in the harvest. I ask that You grant me insight and wisdom as You begin to manifest Your presence in a greater way in my midst. Amen.

I agree with 1 John 1:9:

If I confess my sins, He is faithful and just to forgive me my sins and to cleanse me from all unrighteousness.

I am the Bride of Christ. I ask for my marriage to Jesus Christ be reestablished. I understand I am in the process of being cleansed and restored to my rightful place of honor before my king. I agree to turn my heart fully toward the plans and purposes You have for me. I am dedicated to performing Your will for my life agreeing to the transformation process that You have planned which will seal me as a covenantal people with You.

Prayer Point 3

[Baal is the strongman behind sexual perversion. Homosexuality was and is one of his big strongholds. I believe all of the sexual sin and perversion in America is, to one degree or another, under Baal's orchestration. I will continue to see God expose leaders in the church who have aligned themselves with this spirit. I pray for the church to be cleansed and for Baal's hold on America in this area to be broken.]

The Accuser’s Argument Against Me

There may be times when he/she doesn’t really care about what the Bible or the Judge in this courtroom has to say about homosexuality or other forms of what the Bible says is sexual perversion. He/she even call themselves a Christian.

I have been able to spread my perversion in many ways through most forms of media. My agenda is marching on. This state is passing laws including the legality of homosexual marriage which is my counterfeit marriage arrangement. Laws are being passed in favor of all kinds of gay and lesbian rights. Even church leaders are turning away from the truth. My goal is for You to give them up to me. Your Word is clear this lifestyle is a sin.

As evidence I present Romans 1:26-28:
For this reason God gave them up to vile passions. For even their women exchanged the natural use for what is against nature. 27 Likewise also the men, leaving the natural use of the woman, burned in their lust for one another, men with men committing what is shameful, and receiving in themselves the penalty of their error which was due. 28 And even as they did not like to retain God in their knowledge, God gave them over to a debased mind, to do those things which are not fitting.

So you see that I am working within my legal jurisdiction.

**My Response**

I agree that the accuser has been at work in me. My goal is to remove his legal rights from me in this area also. I know I can do this through repentance and asking forgiveness. I stand in the gap right now repenting on behalf of the sin I have committed against You by living and promoting the homosexual, gay and lesbian, transgender lifestyle. I ask forgiveness for this great abomination toward You.

**Personal Confession**

I thank You Lord that You have a plan to turn this into a testimony for Your goodness and mercy.

I, like Jeremiah, was sealed by You before I was ever born. Jeremiah 1:5 says:

> I knew You before I formed You in Your mother’s womb. Before You were born I set You apart and appointed You as my prophet to the nations.

I remind You now of those who, according to Your Word, are in the camp of the enemy as captives. I petition You for all those who have been stolen from Your purposes. I petition You Lord to send Your host to recover Your lost children.

Jeremiah 3:22 says:

> 'My wayward children,' says the LORD, 'come back to me, and I will heal Your wayward hearts.' 'Yes, we’re coming,' the people reply, 'for You are the LORD my God.' (NLT)

I also target my petition toward those who are now promoting the homosexual agenda who have large media platforms. I petition You, and thank You ahead of time that You are going to bring them into the Kingdom of God.
Your will is that none perish but have everlasting life. Lord, help them in their unbelief. I set my faith that they will get saved and born-again and be filled with the Holy Spirit. Their lives will be turned around to promote the truth and a Godly agenda and be used to set countless numbers free.

I find it interesting that they have chosen the rainbow as their object of identification. According to Your Word, the rainbow is Your symbol given to me of Your faithfulness. I decree that this is a prophetic statement they are waving over themselves. By their actions, as they wave their banners, they are claiming a restoration to a Godly covenant over their lives. I can be encouraged that You will be faithful and cleanse them of sin and restore them to their rightful place in Your Kingdom.

I ask You to perform an emergency intervention as only You can orchestrate.

I ask for forgiveness and a washing with the blood of Jesus over this terrible sin.

I ask that I be moved from judgment to the throne of Grace and Mercy where You will extend a season of grace and mercy over me so that the laws can be changed.

Help show me what to do to get these perverse laws repealed from the books.

**Prayer Point 4**

[Baal always goes after the next generation, trying to cut off the extension of God's covenantal purposes. He is a violent spirit and even required human sacrifice. Abortion is under Baal, as is the "cutting" of today's young generation, (see 1 Kings 18:28), the Vampire and Goth movement, and the death culture, in general, that has so invaded America. Baal is leading the fight to avert the great awakening planned for the young generation of Americans today. Pray against and get these efforts bound. Witchcraft and occult spirits, in general, operate under Baal. So does Jezebel.]

**The Accuser’s Argument Against Me**

He says:

*I am working within my authority. This region allows legalized abortion by state law. I have been able to legally cut out whole generations. This is a form of human sacrifice that I am promoting today. I am stealing the youth of this region for my purposes. My projects of witchcraft and occult promotion are going well. Most people don’t bother me as I go about my business.*

**My Response**
As a believer, I am grieved by the legalization of abortion. As a taxpayer, I share in the blood guilt that cries out for judgment. I can see the hand of my accuser using this legalization to also attempt to kill the youth off though suicide, drug use, or other means.

**Personal Confession**

I repent on behalf of the sin of abortion and ask forgiveness for that sin.

I repent for the loss of destinies and purposes that have occurred in the earth as a result of this great sin.

I ask that You hear my plea and help me as You move my case from judgment to grace and mercy for a season in time where You will help me to employ strategies to get my laws changed. Bless and promote the agenda and finances of those who are fighting to get these laws changed. Remove the veils off of my lawmakers' and voters' eyes, and empower me by Your Holy Spirit to support the move to get my laws changed so abortion will no longer be legal.

I ask You to invade the camp of the enemy with Your Host of Heaven. Arrest and prosecute those who are practicing and promoting witchcraft and the occult in my region. I am standing in the gap repenting on behalf of this sin in my region and asking forgiveness. I ask for Your Glory to invade my region, wash me clean, and heal my heart, mind and land. Amen.

[I have a representative from the younger generation who would like to offer a plea in the court.]

**Ambassador of the Younger Generation**

Dear Jesus, I stand before You as a representative for those who are of this younger generation. I humbly stand in the gap, repenting for the sins that are recorded as charges against me in the courtroom of Heaven. I especially ask forgiveness for the sin of rebellion and disobedience I have committed against You, my parents, and those in authority over me, which has allowed a curse to come upon me.

I forgive my parents and others who have sinned against me. I ask for a spirit of reconciliation and healing to come upon me. I ask You to turn the hearts of the fathers to their children and the hearts of the children to their fathers.

I thank You, Father God, that Your Word says children are a heritage and a gift from You. You say the fruit of the womb is Your reward. I stand in the gap repenting on behalf for the sin of abortion.
among the younger generation and ask forgiveness for that sin which has given the enemy a legal right to go after this generation.

Our enemy is blinding me to the truth due to the sin I have committed. He has placed a veil over the eyes of my understanding. Some of Your children are overwhelmed with discouragement, believing the lie that says they can’t get out of bondage they are under. This is causing untimely deaths of young people through drug overdose, suicide, and self-hatred.

I ask You for a spirit of salvation to be loosed in my region for my younger generation. Help me to be fruitful for Your Kingdom. As I am forgiven for my sins, cover me with the Blood of Jesus Christ. Stir up the gifts of the Holy Spirit among me. Baptize me with a new baptism of fire that will burn out all the bondages and set me on fire for Your Word. Please move any case the enemy has had against me to the Throne of Grace and Mercy.

I ask You to place me in protective custody during the season in which You will remove the veils and scales from off of my eyes, and I will see the truth, embrace the truth, and walk in Your truth. Amen.

I confess what You say You will do for me in Isaiah 49:24-25

Shall the prey be taken from the mighty, or the captives of the righteous be delivered? 25 But thus says the LORD: "Even the captives of the mighty shall be taken away, and the prey of the terrible be delivered; for I will contend with him who contends with You, and I will save Your children.

Thank You for hearing my plea on behalf of the younger generation and answering my prayer as You answered Daniel who was a man of the younger generation.

I will read what the answer to Daniel was as he prayed as I have prayed.

Daniel 9:20-23: Now while I was speaking, praying, and confessing my sin and the sin of my people Israel, and presenting my supplication before the LORD my God for the holy mountain of my God, 21 yes, while I was speaking in prayer, the man Gabriel, whom I had seen in the vision at the beginning, being caused to fly swiftly, reached me about the time of the evening offering. 22 And he informed me, and talked with me, and said, "O Daniel, I have now come forth to give you skill to understand. 23 At the beginning of your supplications the command went out, and I have come to tell you, for you are greatly beloved; therefore, consider the matter, and understand the vision.

I remind You and remember the results of Daniel’s prayers of intercession. I agree with Your Word that says: Your purpose shall be established, and You will do all that pleases You for me. This applies to me today.
Psalm 103:20 says the angels hearken to the voice of the Word, and go forth to perform it. As I have presented my repentance and received forgiveness, then quoted the Word after each point; the angels present heard the voice of the Word and are going forth to perform it in this family.

Isaiah 46:9-10 says:

> Remember the former things of old, for I am God, and there is no other; I am God, and there is none like Me, † declaring the end from the beginning, and from ancient times things that are not yet done, saying, 'My counsel shall stand, and I will do all My pleasure.'

**Facilitator**

That concludes my prayer petitions and decrees portion of the courtroom session concerning the 4 prayer points I was instructed to present for this family. I know according to 1 John 5:14-15 that the divorce decree has been granted to me as an individual as well as the reestablishing of my covenant to the King of kings, Jesus Christ my Bridegroom.

Before I conclude, I still have some courtroom business to attend to.

**Addressing My Accuser**

Now the Judge would ask me if I have anything to say to my accuser and I respond by saying 'Yes Your Honor. I will quote Your Word to him which is high praise to Your ears and by doing this, I will make him Your footstool.'

**Personal Confession**

The Lord says that my adversaries shall be clothed with shame.

You shall cover your own self with confusion as with a mantle.

My Lord says in His Word that His hand shall find each and every one of my enemies; He shall make you as a fiery oven in the time of His anger.

He shall swallow you in His wrath, and His fire shall devour you.

Your fruit shall be destroyed from the land, and your bad seed from among the children of men.

You have intended evil against me; you imagined a mischievous device which you are not able to perform.

My Father will destroy your schemes and confuse your tongues.
You shall be confounded and put to shame.
You shall be turned back and brought to confusion because you have devised my hurt.
You shall be as chaff before the wind, and the angel of the Lord shall chase you.
Your way will be dark and slippery, and the angel of the Lord shall persecute you.
My Father says in His Word, Behold, I will plead your case and take vengeance for you. Psalm 109:29; Psalm 21:8-11; Psalm 55:9; Jeremiah 51:36

I will thank my Father the Righteous Judge, Jesus the Son, and the Holy Spirit for hearing my case and ruling in my favor.

**Scriptures to Quote to the Judge Corporately**

Lord God, You have established Your throne in Heaven, and Your Kingdom rules over all.
For You, Lord, are my Judge and Lawgiver; You are my King; You will save me.
Our soul shall be joyful in You. I shall rejoice in Your salvation.
Be exalted oh Lord in Your own strength. I will sing and praise Your great power.
I thank You, Father, for Your great mercies that You have not withheld from me.
May Your loving kindness and truth continually preserve me.

Thank Jesus for making it possible to enter the courtroom of Heaven and plead my case.

Dear Jesus, thank You for Your loving sacrifice for me. You died so I could be free.
I will strive with the help of the Holy Spirit to walk in love toward others as You loved me,
I will not judge and I will extend grace and mercy as You extend grace and mercy to me daily.
I ask that I could become more like You every day. When others see me they will see You.
Help me to desire the meat of Your Word, which as I read it, I will be washed clean. Teach me Your ways.
Thank You, Lord, for listening, and for helping me walk deeper in faith and be bolder in prayer. Bless Your Holy Name. Amen.

Thank You Holy Spirit; I thank You for Your presence on this earth. You surround me with Your presence; You inhabit my being.

You comfort and encourage me during times of trouble in my life.

You bring divine revelation to me as I need it. You bring all things to remembrance to my mind.

You reveal treasure hidden in deep places when I least expect it, especially Scriptures that I have read in the past, but can’t recall.

You have perfect recall and love to help me out, and I thank You for that.

You are the light that is within me that releases Your Glory and casts out darkness.

Thank You for lighting my path and divinely directing me every day.

Bless You for all that You do that I do not recognize as Your work in my life. Amen.

[Now, step into the Court of Scribes and obtain the verdict just rendered, then step into the Court of Angels and request angelic dispatch for the orders and instructions of the verdict rendered.]

**Apostolic Blessing**

May the Lord bless me, members of the Kingdom of God and bride of Jesus Christ, with the fullness of His blessings as I keep my marital commitment to Christ by abiding in Him, submitting to Him, and honoring Him with sincere reverence and humble service.

I declare that as I submit to His lead, He will submit to my need. Bless me, Father, with full marital rights which will impregnate me with vision, leading to holiness and multiplication. I ask You this day to translate me from shame to favor.

Bless me, I pray, as I seek Your face. Amen.
Chapter 36
Petition of Divorce from the Moon God
(also called the sin god)

In divorcing the moon god, we are completing the necessary divorce procedures. The Divorce from Baal (the sun god) coupled with the Divorce from the Moon god (allah) should bring you into a new level of freedom in your life. This also can be applied for your region or territory.

On the following pages, you will read the various ways the moon god has impacted our lives and how it got entrance into our lives. Interspersed in the teachings by Jeanette Strauss and Doug Carr are prayers of repentance as well as petitions. If performing these prayers in a group, the Compiled Prayers section contains only the prayers of repentance and petitions.

May you enjoy new levels of freedom in your life from this day forward.
Jeanette Strauss, an apostolic prayer leader in Michigan, working with Apostle Doug Carr, was responsible for the Divorce Decree from Baal you may have already seen. That specific decree was the result of a prayer event they convened on behalf of their geographic region and led Jeanette to do more research. Here is what she had to say:

“That case was settled and the divorce was granted from the highest court. After praying and seeking God to see if there were any further actions needing attention, we sensed the Lord leading us to examine who the moon god is. Baal is known as the sun god so that covers 12 hours of the day, but who is the moon god who rules the night? We considered who he is, what he influences, and determined to seek to obtain a divorce from him also.

We discovered one of his names is ‘sin.’ Another more familiar name to us is ‘allah.’ Different Arab tribes gave the Moon god different names/titles. Some of the names/titles for this moon god are ‘Sin, Hubul, Ilumquh, Al-ilah’. The word ‘Allah’ is derived from ‘al-ilah’ and is identified by the symbol of the crescent moon and the star.

As we hear the name allah our minds might go to the Muslim nations and their symbol of the crescent and star, or even the name of their god allah, which is the same god as the sin god. We tend to think this is the god of the Middle East region but Americans are tied in a very real and active way to this moon god.”

Apostolic leader Doug Carr joins in:

“The Lord opened portals of revelation for me as I prayer walked on in mid-April a few years ago. The moon was very bright and I could see the road, the outline of trees and shrubs, and the silhouette of geese on the river. I knew I was walking in the lesser light of the moon, rather than the greater light given to govern the day. Even before I started walking, I sensed how the moon god tries to deceive individuals and regions to walk in his lesser light.

As Baal is god of the sun, Allah is the god of the moon. God created the moon as the lesser light to govern the night. Sin and Satan have defiled such governance so people,

1 http://www.bible.ca/islam/islam-moon-god.htm
including Christians, are often governed by the lesser light of darkness rather than by seeking and walking in the Light of God the Father, God the Son, and God the Holy Spirit.

The moon god(s) cause us to walk in lesser light. Under his influence:

- We do not seek God’s light on WHY things are the way they are.
- We settle for less than best, giving in to entitlement’s bondage, rather than seeking God’s solutions for poverty, violence, hatred, and the like.
- We submit to oppressive rule rather than seek the greater light and freedom from Jehovah Himself. This is true of nations under dictatorial rule, as well as individuals under dictatorial rule in homes, churches, society, and workplaces.
- People under the influence of the moon god would rather have other people fix their problems, even if it leads to bondage, rather than seek solutions from the Lord.

The mood god hinders people from seeking God’s Greater Light through:

- The Word of God. (2 Timothy 2:15, 3:16-17)
- The Wisdom (heavenly wisdom) of God. (James 1:8; 3:13-18)
- The World of revelation (voice of creation). (Romans 1:20b)

Sluggards do not go to the ant, to learn how to be self-sufficient. Instead, they rely on others to rescue them and provide their needs: Rather than asking God how to take better care of their bodies, they expect doctors or faith healers to repair the damage they bring on themselves, etc. (Proverbs 6:6-11)

The twofold witness of God is the voice of conscience (Romans 1:20a) and the inner voice of adoption (Romans 8:15)

People look to others for personal revelation rather than to God. Rather than seek God for themselves they rely on prophets and the Elijah List or other means.”

Ways the Moon God Works

The Moon God Exploits
the Power of Secrecy
By keeping things hidden (occult, Masonic, etc.), the moon god is able to continue sin patterns and destroy lives. We see family secrets as well as church secrets. A pastor is a perpetrator but rather than disciplining the perpetrator, they excommunicate the victim.

In another church, a gay pastor who oversees a daycare was accused of inappropriate behavior. Rather than addressing the inappropriate behavior of the pastor against children in a church daycare, the church fired those trying to address the concerns.

**The Moon God Partners with Allah**

The Moon god partners with Allah to make people passive so they will not seek God for their own answers. Rather than seeking why sickness lingers, they expect medicine or faith healers to take care of their problems. Rather than learning to resist the devil and make him flee, they expect deliverance ministers to fix them.

**The Moon God Seduces**

Moon god seduces believers to hide SIN and secretly continue in it, rather than confess it and repent of it.

**The Moon God Oppresses Women**

The Moon god oppresses women and covers their beauty and potential in life and ministry.

**The Moon God Distracts**

The moon god covers the power of a multitude of sins by distracting focus from personal responsibility. A few terrorists bomb two churches on Palm Sunday, and the whole world reacts because of the magnitude of the damage. Around 49 people were killed and 100 injured. Compare that to the multitude of people under the influence of moon gods in local churches. They expect someone else to provide for their families, their medical needs, their housing, their education, and everything else from birth to burial. Their mistaken allegiance to the agenda of the moon god goes unnoticed, and by the power of being hidden, they destroy more churches, families, neighborhoods, and communities than the ISIS terrorists behind the church bombings. They continue to rob, steal and destroy families, communities and nations because they passively give in to the seduction of the
moon god rather than seeking the greater light of Christ. We will cover any connection we may have to this lesser light moon god before we conclude our court case.

These important issues that occur due to living in this lesser light and other symptoms of the curse due to the moon god being active in our generational blood lines are what we will take action on. Not only are many walking and struggling along in the lesser light not understanding what is really going on, but many believers have been unwittingly snared and are being harassed in by this moon god.

### Being a Legal Heir

Some are suffering adverse consequences due to someone in their bloodline who pledged themselves to this foreign god by decreeing certain required oaths and vows of faithfulness to this god without fully realizing what they were doing. We are speaking of the different organizations of secrecy that people can think are a good thing because they do good things to help people, and they display a lot of religious articles so people can be deceived. They use crosses in their ceremonies as well as Bibles.

### Pledges of Loyalty Unto Death

Most of us understand that if a vow is sworn to a foreign god, this brings a curse that allows demons the right to attack the person involved and their bloodline. Some of you here may recognize symptoms of illnesses or physical afflictions that have become resident in your families as you read the oaths and vows a relative may have spoken over themselves when joining one of these organizations that are under the jurisdiction of the moon god allah; these oaths require a person to pledge their complete loyalty to the point of death.

### A Curse Without Cause

The Word says that a curse can come on a person if it has a legal right or a cause. These curses will exercise their legal right to alight and attach firmly, then begin the journey down the generational bloodline. It only will get stopped effectively when the root cause is repented for and forgiven by God, and then the curse revoked.

> Like a flitting sparrow, like a flying swallow, So a curse without cause shall not alight.  
Proverbs 26:2;
Prayer of Repentance

Let’s begin by praying a corporate prayer of repentance, in general, but not a specific prayer for now. This is important to do before we get into facts in this case against the moon god. It is possible that the enemy has a veil over our eyes and we can’t see the deception we could be struggling under so we do this so veils come off before we begin.

Dear Heavenly Father, I stand before You today in the Courtroom in Heaven. I repent on behalf of any sin I personally have committed against You or Your Word. I confess my sins and ask You to forgive me, and cover them over with the blood of Jesus. I ask You to move any case the enemy presents against me to the Throne of Grace and Mercy where the Lord will remove any veils that may be over the eyes of my understanding, and I will see the truth, and it will set me free. Amen.

As we present our case, we are covering our own generational bloodlines, and like Daniel in the Bible, we are called to be Ambassadors of Reconciliation for our region and territory as well as our families. We do this on behalf of those who do not know what has been spoken over them or in their own ignorance have spoken these vows and oaths themselves and been ensnared by this god, which has affected our lives. The Holy Spirit will guide a person into all truth. It’s not our job to bring people into account; rather our job is to intercede.

One way we can find ourselves ensnared is if we or our ancestors have been or still are members of any of these organizations: Freemasonry, Shriners, Eastern Star, Prince Hall Lodge, or any other secret society. The validation this curse uses is the verbal oaths and vows which establish spoken covenant, followed by symbolic enactment to confirm the pledge of commitment and devotion which is performed by us or someone in our generational bloodline.

Technically these vows and enactments have been spoken and performed in front of God and witnesses just as marriage vows are. Those marriage vows are legally in force and binding until a divorce is legalized. The Bible says:

You are snared by the words of your mouth; you are taken by the words of your mouth. Proverbs 6:2.

33 "Again you have heard that it was said to those of old, 'You shall not swear falsely, but shall perform your oaths to the Lord.' 34 But I say to you, do not swear at all... 37 But let your 'Yes' be
'Yes,' and your 'No,' 'No.' For whatever is more than these is from the evil one. Matthew 5:33-34a, 37.

But above all, my brethren, do not swear, either by heaven or by earth or with any other oath. But let your ‘Yes’ be ‘Yes,’ and your ‘No,’ ‘No,’ lest you fall into judgment. James 5:12.

We understand many have already revoked curses, due to these organizations, but our goal is to set our regions and families free. In the process, you might see that there is a step that you may have left out in your prayers. We could be thinking we are divorced from these gods and maybe are not. I say this because of the sin god allah and certain rights connected to other entities that may have been taken without a person’s knowledge.

Our purpose is to recover ourselves and our region from the snare of the devil, who has taken many into captivity without their knowledge. We will request at the conclusion for a Cease and Desist order against the sin god allah to be issued by the Judge in our region, territory, and families.

And that they may come to their senses and escape the snare of the devil, having been taken captive by him to do his will. 2 Timothy 2:24

Following is a brief overview of each one of these eight organizations and the vows they require. We will then agree with a prayer of repentance over each one of those issues individually and renounce each of their required oaths and vows.

Who is allah?

He is the god over the Shriners, Masons and Eastern Star Orders.

Shriner Involvement

If you have a family member who was a Shriner.

The crescent moon and star is the emblem or symbol Shriners’ wear proudly. To get to wear the hat and jacket with the emblems on them, one speaks vows and oaths. The hat called a Fez it has the crescent and the star.

A Shriner is given a red fez with an Islamic sword and crescent jewel on the front of it. This sword emblem originates from the seventh century when Moslems, under the
leadership of Muhammad (aka Mohammed), slaughtered all Christians and Jews who would not bow down to the pagan moon god allah. It is a symbol of subjugation.

The Shriners began innocently enough, except for their link to and allegiance to the pagan moon god (note the crescent emblem) allah. Candidates for induction into the Shriners are greeted by a High Priest, who says:

‘By the existence of allah and the creed of Mohammed; by the legendary sanctity of our Tabernacle at Mecca, we greet you.’

The inductees then swear on the Bible and the Koran, in the name of Mohammed, and invoke Freemasonry's usual gruesome penalties upon themselves:

‘I do hereby, upon this Bible, and on the mysterious legend of the Koran, and its dedication to the Mohammedan faith, promise and swear and vow...that I will never reveal any secret part or portion whatsoever of the ceremonies...and now upon this sacred book, by the sincerity of a Moslem's oath, I here registered this irrevocable vow...in willful violation whereof may I incur the fearful penalty of having my eyeballs pierced to the center with a three-edged blade, my feet flayed, and I be forced to walk the hot sands upon the sterile shores of the Red Sea until the flaming sun shall strike me with livid plague, and may Allah, the god of Arab, Moslem and Mohammedan, the god of our fathers, support me to the entire fulfillment of the same. Amen. Amen. Amen.’

Muslim is the preferred term for ‘follower of Islam,’ although Moslem is also widely used.²

With this oath, in their ignorance people who consider themselves Christians swear on the Koran, and declare Allah to be ‘the god of our fathers.’ From the perspective of Christianity and Islam alike, Shriners take the name of God in vain, and mock both faiths.

Irrevocable Vow

Interestingly, they have to say amen three times to establish what they are agreeing to. We see an example of this in the Bible with the example of Peter. In Mark 14:66-72, he swears three times that he does not know Jesus. This indicated he needed to say something three times to emphasize that he was rejecting Christ which he did. We see that doing so even removed him from being considered a disciple by Christ himself. To be reinstated

Jesus made a point to ask Peter to repeat three times that he loved him to revoke his previous denial and reinstate him in his previous position.

‘...go, tell His disciples – and Peter – that He is going before you into Galilee; there you will see Him, as He said to you.’ Mark 16:7

We see that a person can be restored to Jesus and oaths forgiven, but something needs to be done about it. The vow doesn’t just remove itself and the curse won’t voluntarily leave either. As we pray this prayer you may see and repent for things that were not in the description of what their vows are, but are based on some original activity of this organization.

Prayer of Repentance

We come humbly before you into the Courtroom of Heaven. We understand there are many people in our region and our family bloodlines who have been corrupted by this particular type of sin.

We stand in the gap and repent on behalf of the sin committed by any people within the regions and territories represented, and any member of our generational bloodlines who have recited and agreed with these oaths and vows made to allah through the organization of the Shriners.

We renounce the oaths taken and the actions performed in any of these rites. We renounce the curses and their penalties involved in the Ancient Arabic Order of the Nobles of the Mystic Shrine. We ask forgiveness for this sin of worship of allah in this region, and ask for the blood of Jesus to cover over and cut off from any curses connected with this, our region, each of us, and all members of our generational bloodlines who are still alive and yet to come.

We renounce and BREAK this curse, and COMMAND every demon working through these curses to leave now. (Expel through blowing or coughing)

We say, “The Lord rebuke you. You no longer have any legal right to stay!”

We petition you Lord, to restore what the locust has stolen from us personally, our families, and this region.

We ask you to release the blessings and the healings you have for us.

We ask that you remove this god and his influence from our region and territory.

We ask that divine revelation will come to those who have been ensnared by this god.
We entreat you, Jesus, who are the light of the world: Speak to them in dreams and visions. Reveal your truth. We decree that they will see the truth and embrace your truth and walk in your truth. Amen.

**Masonic Lodge Members**

**1st Degree**

These oaths are found in several Masonic publications, including ‘Duncan’s Masonic Ritual and Monitor’ and ‘Look to the East,’ a ritual of the first three degrees of Masonry.

The oath taken by the candidate for Entered Apprentice is:

I, ____________________, of my own free will and accord, in the presence of Almighty God, and this Worshipful Lodge erected to him and dedicated to the Holy Saint John, do hereby and hereon (Master presses his gavel on candidate's knuckles) most hail, forever conceal, never reveal any of the secret arts, parts or points of the hidden mysteries of Masonry which may have been heretofore, or shall be, at this time, or at any future period, communicated to me as such, to any person or persons whomsoever, except it be a true and lawful brother Mason, or within the body of a just and lawfully constituted Lodge of Masons. All this I most solemnly and sincerely promise and swear, with a firm and steadfast resolution to keep and perform the same, without the least equivocation, mental reservation or secret evasion whatsoever; binding myself under no less penalty than that of having my throat cut from ear to ear, my tongue torn out by its roots, and buried in the sands of the sea, at low-water mark, where the tide ebbs and flows twice in twenty-four hours, should I, in the least, knowingly or wittingly violate or transgress this my Entered Apprentice obligation. So help me God, and keep me steadfast (Look To The East, pp. 30, 31).

I furthermore promise and swear that I will not cheat, wrong or defraud a Lodge of Fellow Crafts, brother of this degree, knowingly or wittingly.

All this I most solemnly and sincerely promise and swear, with a firm and steadfast resolution to keep and perform the same, without the least equivocation, mental reservation or self-evasion whatsoever; binding myself under no less penalty than that of having my left breast torn open, my heart plucked from thence, and given to the beasts of the field and the birds of the air as a prey, should I, in the least, knowingly or wittingly, violate or transgress this my Fellow Craft obligation. So help me God and keep me steadfast (Ibid., p. 96).
Some members of the lodge might say they do not take these oaths seriously and do not feel bound by them. Yet, Jesus says we should not engage in false, profane or frivolous swearing. (Matthew 5:33-37)

If Masons take these oaths seriously, they stand condemned for taking such profane oaths. If they do not take them seriously and do not feel bound by them, they still stand condemned for such frivolous swearing and using the name of God in such a manner. After making each of these oaths, the candidate is asked to kiss the Bible. This might be the reason some are fooled into thinking this is approved by God in some twisted way especially if they are a new Christian. The Lord warns us about making vows.

But above all, my brethren, do not swear, either by heaven or by earth or with any other oath. But let your ‘Yes’ be ‘Yes,’ and your ‘No,’ ‘No,’ lest you fall into judgment. (James 5:12)

I petition You, Lord, to remove the veils off of the eyes of the understanding of those who are snared and netted by the enemy and are still active in this organization. Show them the truth.

We ask for a freedom of information act to be released even through the media about the truth of these organizations, and other things that have been hidden by this god, allah.

We pray for the seed of Abraham who live in our area to be awakened to the truth through any means You want to employ as the one true and living God.

Freemasonry, such as the compass, the square, the noose or the blindfold, or the apron have had on me or my family, in Jesus Name.
Chapter 37
Conclusion

Although working through this book has taken quite a bit of time, we believe the freedom you and your family and succeeding generations will experience will have been well worth the effort. Those in our family line who got involved in Freemasonry did so over a period of time. Getting free would require concerted effort on our part. That is where this book comes in.

It has been our prayer that this book will bring you to new levels of joy and freedom. Physical and mental afflictions will be exiting your life as you walk out this new found freedom. I would recommend you finalize all of this prayer work with the partaking of Communion. It has been your request as you work through this book that your DNA would be remolded to reflect the DNA of Jesus. Communion helps complete that process. May you and your generations find great joy in your newfound freedom.

Please share your testimony of freedom with your friends and family and help them work through this process.
